Among others, the *ICOFORT* (*International Committee on Fortifications and Military Heritage*) site offers a space for publications by its members and also has a regional website – www.brasil.icofort.org - administered by its Vice President, Col R1, José Claudio dos Santos Filho.

ICOFORT conducts meetings and specialized conventions in countries that have active members to discuss issues related to the preservation of this rich military heritage, made concrete by the fortifications that pervade Brazil's vast perimeter; in the case proposed here, for deeper studies.

The company Translitoral has kindly placed a busdoor ad on the executive buses that travel to the airports in São Paulo: <http://www.personalbus.com.br/>
